

Unlock Your Potential

Brookes Education Group

Brookes Education Group was founded by a team of international educators who share the desire to deliver high-quality education accessible to youth around the world. The Board of Directors develop schools that focus on the whole child through the rigors of academics, the balance of physical education and socio-emotional support.

Each Board member encourages and truly believes in the limitless potential of every Brookes student

Through education, our governing board created a network of schools aiming to provide a global learning environment empowering the next generation of global change-makers who are not only confident and passionate in learning for themselves but are inspired to make a difference and help others.

Unlock Your Potential

We value innovation and welcome students into our interconnected educational network with campuses around the world and faculty who bring learning to life, challenging students to unlock and discover their innate potential.

Opportunity for every child

Mission

Students are supported in a caring environment and given opportunities to learn about themselves and to take action in areas in which they are passionate. Our students and teachers come from diverse backgrounds and we connect globally with our other campuses to learn about the world, from the world.

We inspire and teach students about global issues by connecting ideas and stories locally. We strive to use our environment as a tool and a canvas for learning and action.

Vision

Our vision is to create a world of self-confident lifelong learners connected and inspired to help others.

Values

Through leadership challenges and opportunities, we help students discover their passion, develop their character, and understand their connection to others and society. We espouse creativity, build character and develop connections to deliver exceptional educational learning experiences.

Brookes Moscow is a next-generation international School welcoming students from age 2-18. The School introduces spacious classrooms & specialist teaching environments, which optimize learning with integrated technology.

Our school firmly believes our mission is to unlock potential from within each student. At Brookes Moscow, we match the highest academic standards and inquiry-based learning, with opportunities for students to pursue their passions through our arts and athletics programs.

We measure and achieve student success through building character, connecting minds and cultures and creating innovative educational experiences that challenge our students to understand their relationship with the world.
