ABOUT OUR PROGRAM

Brookes Russia Day Camps are carefully designed to provide children with a fun and educational experience during their summer holidays. Our program reflects both the School's Philosophy and the core IB Principals. All programs are conducted entirely in English, providing your child with an immersive language experience. Campers will have the opportunity to improve their language skills, make new friends from all over the world and enjoy a range of engaging fun-filled activities every day. Our camps will run over four weeks, each with its own unique theme to keep your children engaged and entertained throughout the summer.

We have designed our program to be activities-packed and make the most of our extensive modern facilities including science laboratories, art rooms, spacious library, performance theater, swimming pool, outside playground area and more.

ABOUT OUR PROGRAM

Our international team of experienced and qualified staff will lead a range of activities, including sports, arts and crafts, team-building exercises, and much more. Our summer day camp is currently open to children aged **5 to 11 years old**, and we have carefully crafted our program to cater to a wide range of interests and abilities. Your child will develop new skills, make new friends, and create lifelong memories and make the most of their summer holidays!

GENERAL INFORMATION

Our Day Camps program will run over four weeks, **Monday through Friday from 09:00 until 16:00**. Campers will be divided into groups based on their ages. Every day will consist of at least four different activities, designed to encourage children to try something new, and unlock their hidden interests and potential.

Regardless of each week's unique theme, campers will have daily sports activities, which will vary from team games and relays to swimming, making full use of our extensive outdoors and indoors facilities.

Children will be provided with three meals - breakfast, lunch and a light afternoon snack. Bus services to and from campus can also be arranged for additional fee.

WEEK 1

BROOKES SUMMER KICKOFF CAMP!

Dates: 3rd July - 7th July

Our First week is dedicated to celebrating the beginning of summer holidays and making the most of all the wonderful things this season has to offer! Each day will have its' own theme with a variety of activities designed to encourage our campers to try something new and get to know other campers.

Explore your creativity and bring your most exciting ideas to life during our "Make it Monday", Test your logic and strengthen your team working and leadership skills during our "Treasure Hunt Tuesday", and engage in many more various activities throughout the week!

This week is a wonderful opportunity to explore different areas of knowledge without a focus on any specific central theme.

WEEK 2

DELPHIC GAMES

(ARTS)

Dates: 24th July - 28th July

Delphic Games are complex competitions in various fields of art that originated in ancient Greece. This week of Brookes Russia Summer Camp Program will be dedicated to awakening our campers' creativity and helping them express their unique ideas through various forms of art, from painting and sculpting to graphic design. Each day, your child will have a chance to try something new and engage in a wide variety of exciting activities designed to help the discover their individuality, encourage independent thinking and learn new valuable life skills.

In addition to the art themed activities, we will also be offering regular sports and swimming.

WEEK 3

YOUNG SCIENTISTS

ACADEMY (STEM)

Dates: 31st July - 4th August

The third week of Brookes Russia Summer Camps Program will be dedicated to STEM - Science, Technology, Engineering and Mathematics. Campers will spend their days exploring the most fascinating ways in which science helps us in our day-to-day lives. They will learn about various unexpected facts and unexplained natural phenomena, and even try themselves out in a role of forensic investigators in our fun agent-themed science activity!

This week will be anything BUT boring! Your children will be able to extend their understanding of the world around them, develop leadership and team-working skills, learn to think independently and outside the box, and generate their own unique ideas. The schedule will also include daily sports and swimming activities for all age groups.

WEEK 4

OLYMPIC GAMES

(SPORTS)

Dates: 7th August - 11th August

The last week of our program will focus on sports. From basketball to track and field, we will create a diverse environment where your children will be introduced to a variety of sporting activities and learn more about the history and importance of physical activity. Throughout this Olympics-inspired quest our campers will learn about the importance of sportsmanship and camaraderie in both individual and team sports, and develop strong friendships with peers from all over the world.

There will be something for everyone, regardless of their interests, age and skill level. Don't miss this wonderful opportunity for your child to have the ultimate fun sports experience at Brookes Russia this summer!
