## **BROOKES MOSCOW GUIDING STATEMENTS**

TO PROVIDE PREMIUM INTERNATIONAL AND LOCAL EDUCATION

TO REALISE STUDENT POTENTIAL

TO PROVIDE A SAFE LEARNING ENVIRONMENT

## 1. INTRODUCTION TO BROOKES MOSCOW

#### 1.1 Our Vision

We aim to create a future filled with self-confident, lifelong learners who are connected and inspired to help others.

#### 1.2 Our Mission

Students are supported in a caring environment and given opportunities to learn about themselves and to take action in areas in which they are passionate. Our students and teachers come from diverse backgrounds, and we connect globally with our other campuses to learn about the world, from the world. We inspire and teach students about global issues by connecting ideas and stories locally. We strive to use our environment as a tool and a canvas for learning and action.

#### 1.3 Our Values

Through leadership challenges and opportunities, we help students discover their passion, develop their character, and understand their connection to others and society. We espouse creativity, build character and develop connections to deliver exceptional educational learning.

#### 1.4 Our Pillars

We believe our responsibility as educators is to unlock the human potential within each student through the guiding pillars of our academic approach.

- CHARACTER must be cultivated with care to allow each student to become the best possible version of themselves.
- CONNECTIVITY is a vital tool for understanding, which is the first step to inspiring change.
- CREATIVITY is so much more than a love of the arts. A creative mind can understand, adapt and innovate, and is a valuable asset.

## 1.5 Our Guiding Statements

- To provide premium international and local education
- To realise student potential
- To provide a safe learning environment

## **WELCOME TO BROOKES** MOSCOW BOARDING HOUSE

### 2.1 Introduction

Welcome to the Brookes Moscow Boarding community. Boarding with Brookes offers students a variety of fantastic opportunities and experiences. Whether it's making developing independence or long-lasting friendships, Boarding can offer something for everyone. We run the house as a family unit - this is a home away from home, and much more than just a place to sleep.

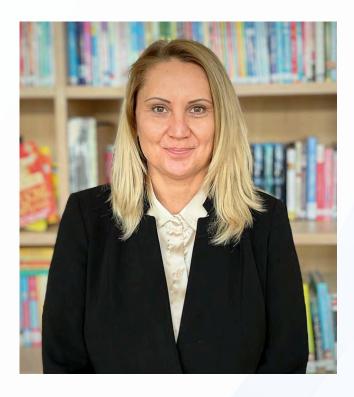

Living with other students can be great, but Boarding life must have some rules and guidelines so that everyone can be happy and healthy in our community. Please make sure you read through this document thoroughly before your arrival, as it provides important information about routines and expectations. Please ask questions! Our staff are always happy to help and other students are always glad to give advice.

## 2.2 Joining Brookes

The Brookes Russia Admissions Team is now taking enquiries for Boarding and will be delighted to speak to existing or new families:

- email: admissions@moscow.brookes.org
- call: +7 (499) 110 70 01

## 2.3 Welcome from the Head of Boarding

I am delighted to introduce myself as the new **Head** of Boarding at Brookes Moscow. My name is **Veronika Czabai**, and I am excited to join this wonderful community and support your children in their boarding experience.

I come from Budapest, Hungary, where I earned both my BA and MSc degrees in Physical Education and Sport Sciences, as well as a Master of Science in Sports Management. Since 2008, I have been passionately involved in education as a PE teacher, sports organiser, and houseparent. My experience spans various educational settings and age groups, including both primary and, secondary education. I have had the privilege of working in independent private boarding schools in international environments in the United Kingdom where I also obtained my Qualified Teacher Status. Additionally, I hold diplomas in swimming and handball training.

Beyond my professional qualifications, I am an avid amateur handball player and have enjoyed the opportunity to play for the New York City Team Handball in the US, the University of Leeds Handball Club in the UK, and various clubs in Hungary.

At Brookes Moscow, the pastoral care and support of our students are of utmost importance. I am committed to creating a nurturing and supportive environment where each student feels valued and encouraged to reach their full potential. I look forward to working closely with you to ensure your children have a fulfilling and enriching experience in our boarding community.

I am a firm believer in lifelong learning and strive to inspire the same in the students I support. As Jim Rohn said, "Formal education will make you a living, self-education will make you a fortune."

## 2.4 Boarding Aims & Values

- Safeguard and promote the welfare of each boarder.
- Develop the whole person and a respect for others.
- Produce a tolerant, open and trusting environment in which each boarder feels able to approach any other member of the community (staff or student), confident in the knowledge that he or she will be treated and respected as an individual.
- To provide a range of activities and opportunities that will assist in the personal, social and cultural development of each boarder.
- Provide accommodation that is comfortable and suited to the needs of boarders.
- Develop the ideal that everyone looks after everyone else as well as everything around them.
- Develop boarders' leadership qualities and ability to work as part of a team.
- Encourage boarders to contribute to the needs and welfare of others in the house and school, as well as those in the wider community.

- To provide a civilised, caring, community, based upon mutual respect, trust and courtesy between staff and students.
- To emphasise and encourage personal responsibility, honesty, reliability, tactfulness, integrity, independence, adaptability, perseverance, initiative and self-confidence, so that students learn how to conduct themselves as individuals and as part of a team.
- There is equality of opportunity and respect for all boarders, regardless of ethnicity, culture, gender or disability.
- To enable students to develop a sense of their own identity and value.
- To prepare students to be responsible citizens when they leave school.
- For staff and boarders to acknowledge each other's right to privacy.

# 3. BOARDING HOUSE INFORMATION

## 3.1 Communication from us

Boarding staff will maintain close links with parents of boarders. The majority of communication from the School will be provided through email.

## 3.3 Term Dates

Term dates for the current academic year are available on our website:

https://moscow.brookes.ru/en/information/

## 3.4 Events Calendar

The School will make every effort to provide timely notice of upcoming events. At the start of each term, families will receive a Termly Events Calendar. Please note that changes may occur, and we advise regularly checking the school website and all communications for updates.

## 3.5 Boarding Options and Going Home

Brookes offers a full range of Boarding options including, full, weekly, weekend, flexi and ad hoc, which means that boarders can get the most out of the educational opportunities during term time. Boarders have complete flexibility if they wish to return home to their families / guardians, though it is typical for full boarders to remain in the house most weekends. Generally all boarders go home during the school holidays.

## 3.6 Facilities

Our spacious bedrooms all have en-suite facilities. There is Wi-Fi throughout the boarding house, and each floor has its own lounge with a television and a kitchenette. **Duvets, duvet covers, pillows, pillowcases,** 

**sheets, and mattress covers** are provided and laundered weekly, but students may bring their own, provided they are **clearly labeled.** 

Boarders will also have access to the school facilities alongside our day students. This includes our playing field, sports hall and equipment, art room, and IT suite (with the agreement and supervision of teaching staff). Boarders have wardrobe and storage space for their personal use.

## 3.7 Laundry

A full laundry service is provided for boarders. Older boarders who prefer to wash their own clothing can arrange this by liaising with the house parents. We request that all boarders' clothing be **clearly labeled** to ensure it is returned to the correct person.

## 4.1 The Daily Schedule

Time	Detail	Time	Detail	
07:00	Wake up	19:00	Prep time for Years 10 to 13 & free time for all Years up to Year 9	
07:50	Getting ready for School	20:45	Year 5, 6, 7, 8 and 9 dorm time	
08:00	Depart for School and have breakfast	<b>21:00</b> Year 5, 6, 7, 8 and 9 lights out		
08:30	School Day Commences	21:45	Year 10 and 11 dorm time	
16:10	Prep for PYP and MYP students / Brookes Plus (Wed & Thu only)	22:00	Year 10 and 11 lights out

18:00	Dinner time	23:00	Year 12 and 13 lights out	
18:30	Return to the Boarding House			

On Friday evenings and Saturdays, boarders have free time and a later bedtime. On Saturdays and Sundays, they also have the opportunity for a morning lie-in. Sunday nights follow the regular weekday routine to help boarders prepare for the week ahead.

## 4.2 Study and Prep Time

On weekday evenings, students complete their school homework, referred to as "Prep." As boarders progress through the school, Prep time gradually increases. Prep sessions are supervised by a member of staff who supports the boarders' learning and study.

## 4.3 Lights Out

At night, all phones and electronic devices are collected, and any medication is distributed. Boarders remain in their own bedrooms until they are woken by the house parents at 07:00 the following morning.

#### 4.4 Invitations

Boarders can request permission to invite a day student friend to spend time with them in the boarding house. On weekdays, visits are permitted from 18:30 to 20:30, and on weekends from 11:30 to 20:30. These visits are subject to the discretion of the House Parents.

## 4.5 Pocket Money

House Parents are responsible for managing the storage and distribution of pocket money if parents choose this option. We recommend that parents allocate approximately 1,000 rubles per week, with an initial deposit of around 10,000 rubles, which can be provided to the House Parents at any time.

Alternatively, parents may issue a debit or credit card to boarders, allowing them to monitor and manage spending as needed.

## 4.6 Catering and Meals

All meals are provided at the School. Weekday lunches are also served by the School's catering staff. The food provided is nutritious and balanced, with careful attention to quantity, quality, choice, and variety. Additional snacks are also available. Boarders have access to a kitchen where they may prepare hot or cold drinks and snacks during their free time. Occasionally, and with the permission of boarding house staff, students may use their pocket money to order take-away food.

We make every reasonable effort to accommodate individual dietary requirements, whether for medical, ethical, religious, or other reasons. Please indicate these requirements on the enrolment form before joining or speak with the House Parents to discuss your child's dietary needs. Please note that we are a nut-free school. All outside food must be checked by the duty staff, and any products containing nuts will be confiscated immediately.

#### 4.7 Dress Code

During the school day, boarders are required to wear the school uniform. Boarders should always appear neat and tidy, and any damage to their clothing should be reported to the House Parents. Outside of school hours, boarders are encouraged to change into "home clothes." These should be clean, free of offensive wording or logos, and should fit and cover the body appropriately. Ideally, all clothing should be machine washable and clearly labelled.

## 4.8 Clubs, Events, Activities, and Trips

A variety of clubs, events, and trips are available for boarders. They have ample opportunity to participate in these activities. Most of these are included in the fees, and full participation is expected. However, if boarders prefer not to attend, they may arrange to spend time with their parents instead. Occasionally, parents may be asked to contribute towards the cost of planned activities, and advance notice will be provided in such cases.

Additional information about clubs, events, activities, and trips will be communicated by the School throughout the year.

#### 4.9 Someone to Talk to

It is good practice to encourage all children to speak with a responsible and trusted adult about any concerns they may have, typically their parents or guardians. At School, students have access to a Student Adviser/Mental Health First Aider who is available throughout the school day for support.

Posters with helpline information are displayed on notice boards in the boarding house and throughout the School.

#### 4.10 Medical Information

At Brookes, the care and safety of our students is our highest priority. Trained first aiders are available at all times for consultation. In coordination with daytime school staff, we manage routine daily care and treatments for boarders. For students with chronic conditions or disabilities, the School will collaborate with parents and seek professional advice to ensure appropriate care.

Parents and guardians must provide comprehensive medical information before their child's arrival by completing the enrolment form. This should include details of medical history, allergies, current treatments, and immunisation status. Additionally, parents are required to consent to the administration of medication.

Any changes in medical information should be reported promptly to the School Office and boarding staff to ensure that students receive appropriate care. We are committed to maintaining strict confidentiality regarding all aspects of medical care and treatment.

#### 4.11 Medicines

All medicines are securely stored in a locked facility and administered by the medical centre. Each medicine should be clearly labeled with the child's name, dosage, and the reason for the medication. Medicines should be handed directly to the House Parents for safekeeping.

Inhalers should be kept with students, and their asthma management will be discussed upon arrival. Special arrangements will be made for students who are not mature enough to manage their own inhalers. Similarly, individual care plans will be established for students requiring ongoing diabetic care.

Except for personal inhalers, boarders are not permitted to self-medicate or store any medication in their bedrooms. Any unidentified medicines found in the Boarding House will be confiscated and handed to the nurse for safekeeping. Boarding staff will contact parents or guardians to inform them of the discovery and request the necessary prescription or doctor's instructions.

Vaccinations are routinely administered at the School, but they will only be given with prior parental consent.

#### 4.12 Illness

Boarders who become unwell will be cared for either in the medical centre within the Boarding House or, if appropriate, in their rooms by the nurse. Duty staff or the nurse will escort boarders to doctor's appointments or hospital visits. Parents will be regularly consulted and kept informed about their child's condition and treatment. If a student needs to visit the local hospital, school staff will accompany them and remain with them until their return. Parents will be notified immediately in such cases.

Parents are required to inform the School of any infectious illness or contact with infection prior to their child's arrival at school. Should a boarder develop a serious infectious illness while at school, they will be isolated in a single room in the Boarding House until they can be collected by their parents or guardian.

# 5. BOARDING ESSENTIALS: FROM PACKING TO DEPARTURE

#### 5.1 Uniform

A list of required uniform and school items is provided separately prior to the student's arrival, along with the student handbook. If you have not received or have misplaced your copy, please contact the School Office to request a new one. Parents are advised to purchase enough uniform to last through the week. Uniforms can be purchased directly from the School. All items must be clearly labeled with the student's name.

For uniform purchases, please visit **StartKid Uniform Store at:** <a href="https://startkid.ru/schools/brookes">https://startkid.ru/schools/brookes</a>

**Login:** Brookes Password: Brookes

## 5.2 Packing List

The School provides all necessary bed linen and towels. However, boarders are encouraged to personalise their bedroom space by bringing items such as posters, personal bed linen, additional pillows, reading materials, and other personal belongings. These items can help

create a comfortable, familiar environment and support a smoother adjustment to boarding life.

A detailed item checklist is provided at the end of this document.

## 5.3 Arriving at School

Students are expected to return to the Boarding House by 21:00 in the evening, prior to the start of term or on Sundays after a weekend at home. Upon arrival at the Boarding House, please proceed to the front desk, where you will be welcomed by a member of our boarding staff. For new students, a tour of the Boarding House will be provided, and you will be shown to your room. Each new boarder will be paired with a buddy to assist in the settling-in process and help them feel at home.

If there are difficulties in organising flights at the beginning or end of term, parents are expected to arrange overnight accommodation to ensure that students do not miss any lessons.

Passports, travel tickets, and medications must be handed to the House Parents for safekeeping. All money should be deposited with the House Parents and should not be left unattended in rooms. These items will be stored securely at all times.

For departures at the end of term, parents or guardians should arrange travel so that students leave the Boarding House no earlier than 07:00.

#### 5.4 Homesickness

Homesickness is a common challenge for students living away from home, affecting students of all ages, including those who have previously lived away. The differences between home and the new environment can be overwhelming, and combined with potential language barriers, a child may experience unhappiness and anxiety.

Adjustment to the boarding environment may take time, but eventually, the daily routine will become familiar. We recommend maintaining regular contact through phone, voice calls, or email in the evenings. To avoid disrupting the normal routines of study and sleep, please arrange the timing of phone or Zoom calls with the House Parent. Allowing students time to adapt to their new environment is important for building resilience and managing the emotional aspects of living away from home.

If you have concerns about homesickness, please raise them with a member of staff. Our House Parents are experienced in supporting boarders and their families through homesickness. Do not hesitate to seek their advice and support if needed.

## 5.5 Leaving for the Summer

Before the start of the Summer holidays at the end of the academic year, all boarding rooms must be completely emptied and cleared. All personal possessions should be taken home, as the School cannot be held responsible for items left behind during the holiday period. All school property must be returned to the Boarding House.

Overseas boarders who will be returning to school in the autumn term may store their belongings in the Boarding House over the holiday period.

## 6.1 Holidays

All boarders are expected to attend school for the full duration of term. Parents are asked not to withdraw their children from school outside of the published holiday times. If a boarder needs to arrive or leave outside of the term dates, special permission must be obtained from the Respective Head of School in writing well in advance, and before any tickets or holidays are booked. If any school is missed, it is the responsibility of the student to catch up on the work they have missed.

## **6.2 Security**

The safety and security of boarders is a top priority. Boarding accommodation is strictly reserved for boarders. It is protected from access by unauthorised persons, and boarders are instructed not to allow any unauthorised persons entry at any time. Entry is by electronic key fob, and only staff will have these key fobs. Parents must be supervised by staff if they wish to see where their child is living.

Brookes Moscow is situated in a safe, family-friendly city environment. The site is enclosed by a secure fence and is monitored by CCTV. There is a single main access point to the Boarding site, which is also covered by CCTV. The exterior of the Boarding House features four exits (two of which are designated fire exits), all of which are monitored by CCTV.

Boarders' privacy is paramount and any security provision does not intrude unreasonably on residents' privacy. At least one member of the boarding staff and a security guard will be on duty, and living in Boarding House at all times when boarders are in the house.

## 6.3 Leaving the School Site

Boarders are generally expected to remain on the School site during the week, unless they have

received prior permission from their parents to return home or participate in a school trip. Whenever a boarder leaves the School site, they must inform a member of the boarding staff. This procedure is a critical aspect of our safeguarding policy.

Boarders may arrange to go out for the day or night, provided that prior permission has been obtained from their parents and communicated to the House Parents. Overnight stays away from the School cannot be authorised by boarding staff without written parental consent.

In cases where boarders wish to join external groups, clubs, or organisations, parents must collaborate with boarding staff to determine feasibility. Parents will also be responsible for any associated costs and travel arrangements.

## **6.4 Administration**

Please notify the Front Desk info@moscow.brookes.org of any changes to your address, contact numbers, or any changes in circumstances affecting the School records as soon as possible.

## 7. HEALTH & SAFETY

#### 7.1 Fire Evacuation Procedures

All boarders will be informed about fire evacuation procedures as part of their induction. Regular fire drills are conducted to ensure that boarders are familiar with the evacuation process and can safely exit the building.

## 7.2 Risk Assessment & Management

All boarding staff are responsible for ensuring that the boarding house and surrounding areas are as safe as possible. In addition to written risk assessments, a continuous, dynamic system of risk assessment is in place. Boarders also have a responsibility to report any hazards they identify to the duty staff immediately; these will then be addressed by the appropriate member of staff. For activities deemed higher risk, individual parental consent will be required.

In the event of a critical incident or crisis affecting the School or boarding house—such as a water, power, or heating failure, a fire emergency, a health pandemic, or a serious security concern—arrangements will be made to return students to their parents until the situation is resolved. If necessary, temporary, secure, and suitable accommodation will be arranged.

Windows are equipped with integral safety restrictors.

## 7.3 Electrical Equipment

All electrical equipment must be in good condition and used safely. Anything over one year old must be safety

checked before it can be used in the boarding house. Electrical equipment must be switched off at the mains when not in use, or unplugged. Please check with the House Parents before bringing in any electrical items. Unauthorised equipment will be placed in storage until it can be taken home.

#### 7.4 House Rules & Behaviour Guidelines

- Boarding students must attend all meals for their own benefit.
- Accommodation corridors are quiet spaces: running, shouting or music is not allowed in the corridors so as not to disturb students or staff.
- Girls are not allowed access to the boy's areas and vice versa, unless supervised or with special permission.
- Consideration for others is paramount each member of Boarding House is responsible for actively helping to keep it clean and tidy.
- Beds should be made each morning and rooms left tidy so they can be cleaned.
- Showers should not be taken after lights out, or before 07:00.
- Students are requested to turn off unwanted lights and close doors quietly around the house.
- Music needs to be played at a quiet level in bedrooms so as not to inconvenience any other person.

- All films, videos viewed should be age appropriate and should be vetted by the House staff before viewing. This should also includes films downloaded onto personal computers for individual or group viewing.
- Guests and parents will only be allowed on campus with prior permission from a House Parent or the Head of School.
- Pets are not allowed.
- Phones / tablets should not be used during school time, meal time, study time or after bedtime, except in emergency or special circumstances. They MUST be handed into the Boarding House Parents as they head out of the Boarding House for school. Unless authorised, electronic devices and phones must not be taken into school.
- Anything viewed on either the communal televisions or computers must be appropriate and no offensive content should be accessed or broadcast.

## 7.5 Use Of Computers, Mobile Phones & Other Personal Portable Devices

At the start of each academic year all students must read and sign the appropriate Student ICT Acceptable Use Policy and Agreement on arriving at the School. The agreement must also be countersigned by either a parent or houseparent. The

agreement applies to the use of all ICT including computers, mobile phones, tablets, gaming devices and other network dependent items. It further applies to the behaviour of users both in and out of school. Periodic checks will be made to ensure that devices and their uses are in accordance with the Student ICT Acceptable Use Agreement.

External hard drives, USB drives, and other flash media must not be used on school equipment without prior permission. All external storage devices must be checked and registered by the IT Manager before use on School devices or the network.

- Students must follow the rules and conditions set out in the Student ICT Acceptable Use Agreement;
- All personal devices MUST be checked and registered with the IT Manager before connecting to the School's network;
- The use of internet file sharing, port sharing, peer to peer sharing, torrent programs and film, TV and external media downloading services is forbidden and may in some cases be illegal;
- Music streaming services ARE allowed but only through recognised, correctly subscribed authenticated streaming services that have been approved by the IT Manager. Music is acceptable only to the extent that the sound level is reasonable and does not disturb the other staff and students.

Internet connection sharing is NOT allowed. Personal Hotspot technologies on mobile devices are not to be used.

The IT Manager, as part of the equipment check, may request that certain softwares and systems be uninstalled or installed from any personal device if deemed necessary. Connection to the School's networks will NOT be granted until these processes are complete:

- Any bittorrent or peer-to-peer sharing software removed:
- Any unauthorised or unqualified music streaming service removed;
- Adequate and appropriate antivirus and antimalware protection added.

Please note: Apple computers running installations of Mac OS are also required to be adequately covered by antivirus. All computers are susceptible.

Voice and video communication services such as FaceTime, Skype etc. on personal devices are permitted only if the device has been checked and registered by IT Staff. Voice and video communication on school devices is only permitted under the strict supervision of a member of staff.

Students may not load or attempt to load any application software on any personal device or school computer. If specialist software is required for study, requests should be approved and any installation and configuration supervised by the IT Manager.

Students are NOT permitted to have phones on school premises. PYP and MYP students must leave their phones in the Boarding House before departing for school in the morning. DP students are allowed to bring their phones but must store them in their designated phone lockers.

# 7.6 Anti-Smoking Policy and the Alcohol & Substance Abuse Policy

The school operates a strict no smoking policy. This includes e-cigarettes. All students are prohibited from:

- Bringing alcohol onto school premises or being in possession of alcohol or obtaining/ supplying alcohol to another, or being impaired by alcohol while on school premises or in the care of the School;
- Bringing drugs and narcotic substances onto school premises or being in possession of them or obtaining/supplying drugs or narcotic substances to another, or being impaired by drugs while on school premises or in the care of the School. Breaches in these rules will lead to exclusion from the School and/or boarding house.

# 7.7 Inappropriate Behaviour & Contact Policy

Brookes Moscow has high expectations of its students in regard to conduct and behaviour. The School's Behaviour Policy outlines those expectations and the rewards and sanctions that apply. We refer to a Severe Clause in the policy where, in extreme cases, immediate action may be needed to alleviate a difficult situation, or to avoid disruption and disturbance, or where a person is in danger. In these cases, the student will be removed from the situation. Following a full inquiry, support may be offered or the

student may face sanctions, such as a temporary exclusion from school or boarding house. This may result in permanent exclusion or request to remove.

Circumstances that may result in the clause being applied may include:

- Severe verbal abuse of another student, adult or teacher, particularly where there is repeated use of offensive language;
- Persistent non-compliance with the reasonable demands made by the teacher, boarding staff, bus driver, instructor, etc.;
- Physical violence or threatening behaviour towards another student, adult, or teacher;
- Theft, misappropriation of belongings from another student, teacher, or from school property;
- Intentional damage to school property;
- Harassment and/or abuse based on, but not limited to, nationality, race, religion, disability, gender and/or sexual identity/orientation;
- Sexual misconduct and harassment, indecency, upskirting, accessing obscene and pornographic websites on computers, or sexting;
- Possession of drugs, alcohol or offensive material for personal use;
- Possession of drugs, alcohol or offensive material with the intention of supplying to others;
- Being under the influence of drugs or alcohol;
- Possession or use of weapons.

#### 7.8 Safe Restraint

In dealing with physical or 'out of control' behaviour, a member of staff may only use a degree of force if it is necessary to restrain a student who, in the opinion of that member of staff, is in danger of injuring him/herself or others or damaging property.

#### 7.9 Search

Where there is a suspicion of theft, misappropriation, the presence of drugs, alcohol, offensive material or weapons, sexually explicit images or material, the School reserves the right to search a boarding student's possessions. This will take place in a controlled manner, as per our school policy, and may involve communication with parents.

## 7.10 PDA (Public Displays Of Affection)

As a school we seek to encourage healthy friendships between boys and girls. We also recognise that, in the modern world, young people are subject to a great deal of pressure through the media, internet, their peers and elsewhere to engage in inappropriate behaviour in public places at an increasingly early age. All students and staff should expect to feel comfortable, safe and relaxed in the School environment. For this reason, we require students to refrain from public displays of affection.

## 7.11 Guidelines / Sanctions

Inappropriate behaviour and contact includes any behaviour that disrespects the individual's rights and feelings and/or goes against the School ethos and/or makes others feel uncomfortable or embarrassed

This may include inappropriate intimacy and physical contact. If staff observe students displaying this kind of inappropriate behaviour, it is their responsibility to tell the students to stop whatever they are doing. This should then be reported to the House Parents who have an overview of the student's behaviour and context and are better placed to decide on a suitable course or action.

There are, of course, occasions when a hug or holding hands can be necessary to console someone who is upset, frightened, hurt or disturbed in some other emotional or physical sense or as a sign of affection among platonic friends. However, the closeness of students in boarding accommodation can lead to misunderstandings and so any interpretation of impropriety should be at the discretion of staff. It must also be very clear to staff that vulnerable young people face greater risks in boarding, especially if they are feeling emotionally and culturally insecure, lonely or homesick and it can make them a target for bullying, self-harm and depression. Boarding House operates single sex bedrooms. These areas are out of bounds to the opposite sex and breaking this rule is seen as a severe infringement of school rules and sanctions reflect the severity of this rule breaking.

#### 7.12 Further Information and Policies

For further information, please refer to the following Brookes Moscow policies, which are available on the School website:

https://moscow.brookes.ru/en/information/?tab=policies.

## 7.13 Child Protection & Safeguarding Policy

All staff receive regular training in safeguarding and child protection to assist them to understand and to discharge their roles and responsibilities as set out in this policy.

## 7.14 Behaviour Policy

Standards of behaviour at Brookes Moscow are consistently high with students who are well motivated, respectful, happy and able to achieve. This policy, along with the sets out the procedures used to promote and reinforce positive behaviour. It also sets out sanctions that are sometimes necessary.

## 7.15 Preventing and Tackling Bullying

All staff at Brookes Moscow are committed to providing a caring, friendly and safe environment for all of our students so they can learn in a relaxed and secure atmosphere. If bullying does occur, all students should be able to tell and know that incidents will be dealt with promptly and effectively. This means that anyone who knows that bullying is happening is expected to tell a member of staff. Bullying will not be tolerated at Brookes Moscow.

#### 7.16 Safer Recruitment

The guidelines have been drawn up to represent the good practice to be followed during the recruitment and selection process. The guidelines take account of equality of opportunity, relevant employment and safe recruiting legislation. It is recognised that the requirements for each post may vary and, therefore, these guidelines allow for flexibility with the process, but establish a set of principles within which the process should operate. This is particularly relevant for staff with responsibility for boarders, and is one aspect of our Safeguarding and Child Protection Policy.

## 7.17 Complaints Procedure

Brookes Moscow is dedicated to providing the best possible education and support for all its students. This means having a clear, fair, and efficient procedure for complaints, so any issues that arise can be dealt with as swiftly and effectively as possible.

#### 7.18 First Aid

The First Aid procedure at Brookes Moscow is in operation to ensure that every student, member of staff and visitor will be well looked after in the event of an accident, no matter how minor or major. In the event of an accident, all members of the School community should be aware of the support available and the procedures available to activate this.
