Dear Parents,

Re: Winter Camp Enrichment Programme for Year 10–11

We are delighted to inform you that this year, as part of our Winter Camp, we are introducing an Enrichment Camp for our Year 10 and Year 11 students. These sessions are designed to support students who may need additional guidance, as well as to further sharpen the skills of our high achievers.

Our aim is to help every learner strengthen their foundation, build confidence, and gain an academic edge for the upcoming term. Students will receive individual attention, with limited seats available to ensure quality support.

The Winter Camp will offer sessions in the following subjects: Integrated Science, Physics, Chemistry, Biology, Mathematics, History, Business, Mandarin, English, and Study skills.

These lessons will be tailored to meet diverse learning needs—providing essential reinforcement for students who require extra help and offering advanced tasks and extension activities for gifted learners. In addition, the Design Club and Music Club, led by Mr. Alexey Skanavi and Fedor Uskov, will host creative lessons.

We look forward to your child benefiting from this focused and engaging learning opportunity.

Kindly fill out the form below if you are interested in enrolling your child in the one-week Winter Camp programme, taking place from **15th to 19th December**. The programme runs from **morning 9:00 to evening 16:00**, and the fee of **28,500 RUB** is inclusive of breakfast and lunch.

[Register Here](#)

Kindly confirm your intention **by 10th December** and make the payment **by 12th December**.

Warm regards,

Dr Mary Limna Dcunha
